

## Resistance Soldering Handpieces

American Beauty® offers the WIDEST SELECTION of Resistance Soldering and Wirestripping Handpieces in the World!

Our hand pieces are designed and built to provide absolute performance in even the toughest environments.

Resistance Soldering and Wirestripping hand pieces provide instantaneous localized heat to help you handle all of your difficult soldering needs.

- Adhere to 50% duty cycle during all applications to ensure handpiece longevity.
- Ensure that handpiece shares the same connection style as the power unit with which it is to be used.
- Virtually every handpiece can be customized to your specific needs. Phone us directly with specific requests.

**Micro-Tweezer  
Handpiece**  
Model 105133

Lightweight tool designed for micro-soldering applications in limited space; well suited for work on connections with wire 22 AWG and finer.

**Included in system:**

## Carbon Pliers Handpiece

Model [105258](#)

This is a heavy-duty version of the Model 105158 to better handle the higher current loads required for some larger industrial applications.

### Included in system:

- [10507](#) - High Capacity Plier-Style Resistance Soldering System

### Specifications:

- 7"(17.75cm) total length, 4 ft (1.22m) cord
- Taper Pin connection style
- Ring Terminal attachment style available upon request
- Compatible with 105C1 Power Unit and higher with modification to Ring Terminal attachment style

**Weight:** 2.5LBS (1.125KGS)

**Replacement Electrodes:** Model # [105159](#)

## Heavy-Duty High-Heat Carbon Pliers Handpiece

Model [10587](#)

Based upon internal testing and customer response these are the highest quality & best performing large resistance soldering handpiece available on the market today.

### Included in systems:

- [10505](#) - Industrial Capacity Plier-Style Resistance Soldering System
- [10557](#) - Medium-Duty Resistance Soldering Plumbing System
- [10577](#) - Heavy-Duty Resistance Soldering Plumbing System

### Specifications:

- Please adhere to 50% Duty Cycle
- Length 10"(25.4cm), 10ft (3.05m)
- Connects to Power Unit via Ring Terminals

**Weight:** 5.0LBS (2.25KGS)

**Replacement Electrodes:** Model # [10565](#)

**Heavy-Duty Carbon  
Fork-Type Handpiece**  
Model [10588](#)

A modification of our popular Model 10587 handpiece. Based upon internal testing and customer response these are the highest quality & best performing large resistance soldering handpiece available on the market today.

**Specifications:**

- Connects to Power Unit via Ring Terminals
- Length 10"(25.4cm), 10ft (3.05m)
- Please adhere to 50% Duty Cycle

**Weight:** 5.0LBS (2.25KGS)

**Replacement Electrodes:** Model # [10534](#)
