

Soldering Iron Tips

Our Paragon® Soldering Iron Tips Outlast Ordinary Tips Many Times Over.

A selection of Paragon® Soldering Iron Tips are available for all American Beauty® Irons! Available in a variety of sizes and shapes (Chisel, Conical, Diamond, Screwdriver, etc.) that fit American Beauty® Soldering Irons, as well as soldering irons from other manufacturers that accept plug-type tips.

Paragon® Tips define quality because of their:

- **Solid Copper Core**
- **Iron Cladding**
- **Nickel Plating**
- **Chrome Coating**
- **Pre-Tinned Tip**
- **Plug-Type**
