

"BNC" Dual PC Jacks (Threaded)

Right Angle or Vertical Stacked: When board space becomes a serious issue and you still need the robust, full size, BNC connectors, a dual stacked right angle or vertical version will do the trick. Assembly insertion time is cut in half as well. The Dual 364 series is available in both Valox isolated and all metal construction.

Right Angle				
Part Number	Description	Imp.	Contact	Fig.No.
364A2595	Dual R/A, White Valox	50Ω	Phos./Gold	38A**
364A2795	Dual R/A, White Valox	75Ω	Phos./Gold	38A**
364A2595B	Dual R/A, Black Valox	50Ω	Phos./Gold	38A**
364A2795B	Dual R/A, Black Valox	75Ω	Phos./Gold	38A**
364A2795FS	Dual R/A, White Valox w / Back	75Ω	Phos./Gold	38A
364M2595	Dual Right Angle, Metal	50Ω	Phos./Gold	38B
364M2795	Dual Right Angle, Metal	75Ω	Phos./Gold	38B
3M64M2795	Dual Right Angle, Metal Mini-BNC	75Ω	Phos-Gold	38D
**Without Back				
Vertical				
Part Number	Description	Imp.	Contact	Fig.No.
364S2595	Dual Vertical, White Valox	50Ω	Phos./Gold	NS
364S2795	Dual Vertical, White Valox	75Ω	Phos./Gold	NS
364S2595B	Dual Vertical, Black Valox	50Ω	Phos./Gold	NS
364S2795B	Dual Vertical, Black Valox	75Ω	Phos./Gold	NS
364S2595M	Dual Vertical, Metal	50Ω	Phos./Gold	NS
364S2795M	Dual Vertical, Metal	75Ω	Phos./Gold	NS
Hardware is optional and must be ordered separately			(NS not shown)
