## **Detailed Specifications & Technical Data**

9836 Multi-Conductor - Low Capacitance Computer Cable for EIA RS-232/422

-

#### **Description:**

24 AWG stranded (7x32) TC conductors, polyethylene insulation, twisted pairs, overall Beldfoil® (100% coverage) + TC braid shield (65% coverage), 24 AWG stranded TC drain wire, PVC jacket.

## 9836 Multi-Conductor - Low Capacitance Computer Cable for EIA RS-232/422

#### Max. Operating Voltage - UL:

Voltage

-

30 V RMS (UL AWM Style 2919) 300 V RMS (CM)

Max. Recommended Current:

Current

1.47 Amps per conductor @ 25°C

#### **Put Ups and Colors:**

Item #	Putup	Ship Weight	Color	Notes	Item Desc
9836 0601000	1,000 FT	110.000 LB	CHROME	С	12 PR #24 PER SH PVC
9836 060500	500 FT	55.000 LB	CHROME	С	12 PR #24 PER SH PVC

Notes: C = CRATE REEL PUT-UP.

## Introduction

Belden<sup>®</sup> paired cable products are manufactured in a variety of gage sizes, dimensions, insulation materials, shielding configurations, and jacketing materials including Plenum and High-Temperature versions to meet the technical requirements of many different types of systems.

Paired cables allow balanced signal transmission, which results in lower crosstalk through common mode rejection. Due to the improved noise immunity of twisted pairs, they generally permit higher data speeds than multi-conductor cables.

As an aid to proper cable selection, both the suggested working voltages and the maximum temperature ratings are indicated for each applicable paired cable selection.

Most of our paired cables are available from stock. Many of these are available off the shelf from distributors. If you have a new or unusual application or you cannot find a paired cable in this catalog section that meets your technical requirements, contact Technical Support at 1-800-BELDEN-1.

#### **Paired Cables Packaging**

Belden's unique UnReel<sup>®</sup> cable dispenser is available for many of the paired cable products listed in this section. The letter "U" before the specified put-up length denotes UnReel packaging.

# BELDEN

## **Overall Foil/Braid Shield**
