Crimping and Stripping Tools

Xcelite® Round Cable Stripper

A professional stripping tool for round cables of all insulation types

CJS200 Round Cable Stripper comes with both large and small cable guides

Catalog No.	Description
CJS200	ROUND CABLE STRIPPER, .178"-1.57" DIA
CJS200B	REPLACEMENT BLADE, CJS200
CJS200LG	LARGE CABLE GUIDE, CJS200
CJS200SG	SMALL CABLE GUIDE, CJS200

The Xcelite Advantage

- By rotating the body of the tool, the blade can be fixed in any one of three positions to provide:

- Unique to this type of tool, the CJS200 features two interchangeable cable retention guides giving it an incomparable stripping capacity of 0.18" to 1.57" (4.5-40 mm) in one tool. Both cable guides are included with each tool. The CJS200 can replace two or more similar products in the toolbox.
- Easy to use: Positive locking positions for circular, lengthways, and spiral cuts.
- No special tools required to interchange cable guides.
- Safety strap can be attached to the eyelet at the base of the tool to prevent accidental dropping.
- Ergonomic: The well-balanced design features rests for thumb, first, and little fingers to ease in raising of the cable retention guides.
- Durable: Tested to over 100,000 cycles.
- Economical: Replacement blade available (p/n CJS200B). Can be stored in the tool body.
