Thermoplastic Four Arm Knobs

The unique design of our four arm knobs allows for excellent gripping and handling. Several of these clamp knobs have thru-hole options to allow full release of the knob for large adjustments. NEW soft touch knobs also available to provide extra comfort and style!

- Varieties available in thermoplastic, phenolic and thermoplastic overmold materials.
- Sizes ranging from 1" to 3-27/64" in diameter.
- Female insert, projecting stud and thru-hole options are available. Please see the chart below for a complete list of our capabilities for each part number.
- Top is recessed or can have a decorative inlay. <u>Pad printing, engraving, hot stamping available</u> for all parts. Glossy or textured finish
- Can't find what you're looking for? <u>Contact us</u> today to learn about our <u>custom molding</u> <u>options</u>.
