

LABELS THAT STICK & STAY STUCK

Label printers are only as effective as the labels they use. That's why we've spent as much time engineering our labels as our RHINO 3000 printer. Available in five materials for a multitude of applications on a range of surfaces, RHINO labels are designed exclusively to work with our printers – and meet your high standards for long-lasting dependability and ease of use.

- Easy-to-peel, split-back styles will speed you along.
- Permanent adhesives help these labels stick and stay stuck in tough environments.
- Thermal transfer print technology produces labels that are durable, smear-proof and resistant to chemicals and solvents.

AVAILABLE KITS

RHINO 3000
Part No. 15605
UPC: 0 71701 15605 1

Includes:
RHINO 3000
Impact-resistant rubber bumper
One 1/2" white flexible nylon label cassette
Limited One-Year Warranty

Uses 6 "AA" batteries (not included) or optional AC adapter (Part #15519)
Printer Weight: 0.8 lbs (363 grams)
Printer Dimensions: 4.5"W x 2.1"D x 7.5"H (114mm x 53mm x 190mm)

Master Carton: 3 Units
Weight: 3.6 lbs (1,633 grams)
Dimensions: 13.4"L x 12"W x 9.8"H (340mm x 305mm x 249mm)

RHINO 3000 Hard Case Kit
Part No. 18189
UPC: 0 71701 18189 3

Includes:
RHINO 3000
Impact-resistant rubber bumper
Durable, hard carry case
One 1/2" white flexible nylon label cassette
One 1/2" white permanent polyester label cassette
AC power adapter

RHINO™ 3000

PROFESSIONAL LABELING TOOL

Professional Audio/Video
Home Automation
Home Theater
Voice/Data
Security

RHINO 3000 is an easy-to-use portable label printer specifically developed for high-end installations at the job site or home: security, low-voltage networking, home automation, professional audio/video and much more.

3000 Features:

- Simple, one-touch Hot Keys for wire/cable wraps and flags, fixed length and vertical printing and distribution panels.
- Exclusive Hot Keys with over 150 pre-programmed locations and components, including: Room Locations, Audio/Video, Voice/Data and Security.
- 25 Memory Locations.
- Impact-Resistant Rubber Bumper for extra protection.

RHINO™ 3000

PROFESSIONAL LABELING TOOL

Simple pre-programmed LABEL and TEXT Hot Keys work together, so you can create labels quickly and easily. Start by selecting the type of label you want: Flag, Wrap, Fixed or Vertical. Then, choose the precise text from over 100 pre-programmed components and 50 locations. Choose the Location button and find "Bedroom" or "Garage," for example. Or select Audio/Video, for example, and find "DVD" or "VCR." To save you even more time, your label will print in just seconds!

Backlit Display
Ideal for accurate, efficient labeling in low-light conditions.

Save/Recall
Powerful 25-label memory lets you store labels you'll need again – and retrieve at a moment's notice.

Pre-Programmed "LABEL Hot Keys"
Lets you quickly choose between Flag, Wrap, Fixed or Vertical and Panel.

Pre-Programmed "TEXT Hot Keys"
What could be easier? Over 150 commonly-used terms are pre-programmed, from "Den" to "Garage" to "CATV" to "DVD" to "Motion Sensor" and dozens more. Just choose the application, select the text and print your label.

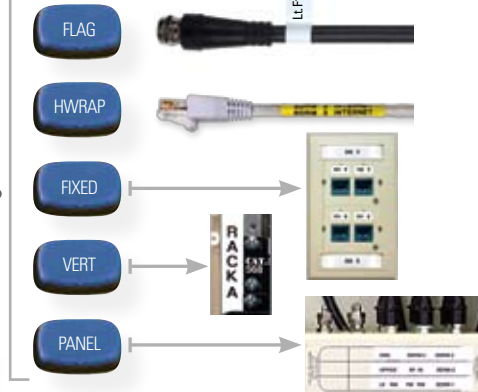

Impact-Resistant Rubber Bumper
Protects your tool from accidental falls or harsh jobsite conditions.

Giant "Symbols" Library
When words won't do, we've provided a wide range of symbols for graphic, professional labeling in all types of applications. For example: ⚠ ⚡ ⚡ ⚡
