33" Reach Clamp-On**

3-Diopter Lens Incandescent Magnifier 33" Reach Clamp-On

This handy, economical magnifying lamp with a 4" compact 3-diopter lens that enlarges 75% is great for everyday use in light commercial or industrial inspection. A convenient handle grip and 33" reach spring-balanced arm makes it easy to position. The vented shade helps keep lamp cool. Uses up to a 60 watt standard incandescent household bulb (not included) and clamps on to surfaces up to 2 1/4" thick. 1 year warranty. Available Colors: Black
