

HALOGEN MAGNIFIERS

SLX™ POWER Series

Model 7428

Features:

- ELECTRIX 100 WATT QUARTZ HALOGEN lamp delivers an amazing 700 footcandles - equivalent to 150 watt standard incandescent - as well as 3000 K crisp bright white light.
- 3 position switch for varied light intensities.
- SPECULAR finish reflector provides evenly diffused light.
- QUARTZ HALOGEN bulb - unlike fluorescent and incandescent - will maintain 100% of initial lumen output through its 2000 hour life.
- INTEGRATED UVB filter enclosure.
