

## E251Y

### HANDY

- Built in magnet for mounting on metal surfaces

### ANTI-ROLL

- Stays where you put it

### DURABLE

- Resists breaking from dropping or abuse

### CONVENIENT

- Flip-up hanger ring is always there when you need it

A great choice for general lighting needs, the E251Y features a flip-up hook that allows hanging or belt-carrying the light easily. It also has a magnet on the slide switch, giving you the ability to fix it to a toolbox or any other metal surface.

This light has a sturdy polyethylene case and a shatterproof lens to protect interior components from damage on the job. In addition, the anti-roll feature helps keep the light in place when you set it down.
