**Width:** 4.92 in.  
**Height:** 6.89 in.  
**Weight:** 21.2 lbs.

We carry nearly all makes and models of batteries. If you can't find it on our website, please [e-mail](#) us, or call us toll-free at the number at the top of the page!

**Tip:** Be sure to never let your Yuasa NPX-100B SLA Battery become completely discharged. Never store your Yuasa NPX-100B SLA Battery without a charge. Storing any battery for prolonged periods of time without a charge will slowly destroy it. For more information about maintenance, go to our [battery tips page](#).

**Why buy batteries from us?** We have been in business for over 6 years, with staff who know about batteries. Our sales team is eager to help you find the battery you need, so please just give us a call or email, and we'd be glad to help you. We have people, not computers, answer our phones.

We sell batteries to many fortune 500 companies, as well as the military, city, state, county, federal agencies, and individuals alike. It doesn't matter whether you are big or small; we will treat you with respect and dignity.

Purchase orders are accepted. Please contact us for more information.
