**Cat. No. 30-9586-0000**

### Modular Plug to Twin Modular Jacks Extension Cord

The 25-foot modular telephone cord has a modular plug on one end and a modular duplex jack on the other end. The modular plug snaps into wall receptacles. The duplex modular jack accepts cords from a telephone or other auxiliary device.

25 ft. Ivory

### Modular Handset Coil Cords

Coiled cord with modular plugs at both ends. Available in 3 lengths and 9 color selections. Cords fit between handset and phone base.
