C - Bare Copper
TC - Tinned Copper
SC - Silver Covered Copper
CW - Copper Covered Steel
SSFT - Semi-Solid FEP Teflon

PE - Solid Polyethylene
SSP - Semi-Solid Polyethylene
V - Polyvinylchloride - Type 1
NCV - Non-Contaminating PVC - Type 11A

SFT - Solid FEP Teflon
AB - Aluminum Braid
XFEP - Extruded FEP
FTFE - Fused TFE Tape
CB - Copper Braid

TFE - TFE Insulation
SCW - Silver Ctd. Copper Weld
FP - Foam Polyethylene
F - Foil
F/F - Al/Mylar/Al

See pages 72, 74, 75 for connectors

*Olympic Wire and Cable Corporation
has become an industry leader in
quality electronic wire and cable.*

*With over 25 years of service, Olympic offers
a complete line of voice, data, and fibre optic
cables with an additional 2,000 items available
for immediate shipment.*

*For a solution to your wire and cable requirements,
you can count on the 'Olympic Team'.*
