

EHWM1

E Series single-sided horizontal wire manager - 2U

Article Number: 854-09270

Part Number: EHWM1

Type: EHWM

1. Base Data

Part No. EHWM1

Type EHWM

Color Black (BK)

Features HellermannTytons enhanced horizontal wire managers protect cable and maintain its integrity on a standard 19" rack. The high quality injection molded wire managers possess a one-inch minimum radius, which guards against extensive bending of the cables and increases transmission reliability. Using the enhanced horizontal wire managers makes installing and rework faster and easier. Snap-on, injection molded covers hinge down for easy access to patch cords in front of rack during moves, adds, and changes (MACs). HellermannTyton's enhanced horizontal wire managers aesthetic design includes a clean look with textured covers, preventing fingerprints. Single-sided, 2U horizontal wire manager 3.5" x 3" front The smooth edges and the wide spacing allow for easy routing of cable bundles Mounting holes and slots on the sides of the management system permit easier alignment on the rack and faster installation The sloped design in the rear maintains room for cable bundles and ensures easy access to patch panels The horizontal rear cable manager's depth is increased, enabling cables to be routed more easily from vertical managers Wire retention tabs are designed into the enhanced horizontal wire managers to help keep cables inside the manager The wire manager's material is UL94V-0 rated for flammability
