PP110C624

CAT 6 universal 24 port patch panel

Article Number: 853-50002
Part Number: PP110C624
Type: PP110C624

1. Base Data

Part No.	PP110C624
Type	PP110C624
Color	Black (BK)
Features	Category 6 Universal Patch Panel • 6 port modules can be replaced easily if damaged during installation • Front face provides an attractive, flush appearance • Write-on labels provided for easy identification • Self-adhesive labels available for use with HellermannTyton TagPrint Pro software* • Configured for 568A or 568B wiring on same panel, thus eliminating the need for extra inventory • Lightweight aluminum rear cable manager can be ordered separately to provide a neat and organized installation using Grip Ties • Sturdy and smooth rolled edges • Clear plastic channel protects PCB and allows easy viewing of wiring label • Utilizes same innovative crosstalk technology used in HellermannTyton modular jacks with 10 internal contacts to reduce NEXT Optional Rear Cable Manager (TRCMU)
Performance Category	Category 6 (Class E)
Port_count	24

2. Product Dimensions

Height_Units	1U

4. Material and Specifications

Wiring	568A

Logistic and Packaging

Packaging Type   box

Pkg. Qty.   1 / 1

Carton Qty.   1

EAN code   5022660849039

Minimum Order Quantity   1

UPC   08930621593

Miscellaneous

UL Listed (US and Canada)   Yes
