

A horizontal banner with a black background. On the left, there is a colorful, abstract image of what appears to be electrical components or a circuit board. To the right of this image, the text 'Over 95 Years of Innovation' is written in a white, serif font.

Over 95 Years of Innovation

Alligator Clips

While the founder of **Mueller Electric Company** invented alligator clips, the company has since expanded its product lines into electric test clips, test leads, test accessories, and board to board connectors, sold to qualifying manufacturers and through leading authorized distributors. Browse our alligator clip selection for the best item to fulfill your requirements.
