Electrician Scissors - ES-1964

The Electrician Scissors are designed for heavy duty use.

Made of high carbon steel with a special hardening process for greater durability and nickel plated for that professional look. The Electrician Scissors are notched to strip 19 and 23 AWG wire and one blade is serrated. A scraper and file are on the back of the blade. Holds edge even when used on fiber and kevlar based cables

| Part No. | Description |
