SNAP
## MODULE JUMPER STRAPS

DATA SHEET

page 1/1

Form 1038-010125

Description

SNAP I/O module jumper straps let you easily make jumper connections on a SNAP digital I/O module. The SNAP-STRAP plugs into individual wire connections on a module's pluggable field connector. SNAP-STRAPs on multiple modules can be connected using the SNAP-WIRESTRAP. Both SNAP-STRAP and SNAP-WIRESTRAP are Factory Mutual approved. To order or for more information, call Opto 22 Inside Sales at **800-452-6786 (800-452-OPTO)** or **951-695-3000**.

OptoInfo CD-ROM

Call Opto 22 Inside Sales at **800-452-6786 (800-452-OPTO)** or **951-695-3000** to request an OptoInfo CD. The **OptoInfo CD-ROM** is an electronic brochure that includes case studies, application notes, and data sheets on all Opto 22 products (including SNAP I/O), and much more. You can also visit Opto 22's Web site at www.opto22.com.
