

LS9-CASE

- Prints a wide variety of continuous tapes for marking of wires/cables, patch panels, faceplates, safety/facility identification and other network and electrical applications
- Prints continuous military and commercial grade heat shrink tubing
- Legends can be easily aligned with ports on patch panels and faceplates, eliminating the need for manual spacing and guesswork
- Partial cut feature available to provide tear-apart strips of labels
- *P1*TM Label Cassette contains an integrated memory device for automatic formatting, recall of last legend used, and number of labels remaining in the cassette
- Fast loading label cassette includes both label material and ribbon to make changing labels easy
- Large graphic display for improved visibility
