PANDUIT

PRT2H-TL

- For indoor use
- Extended release tab permits easy release and re-use where changes are anticipated during development, production or servicing in the field
- To release, grasp the head of the cable tie, deflect release tab, and pull the cable tie away from the bundle
- One-piece construction for consistent performance and reliability
- Curved tip is easy to pick up from flat surfaces and allows faster initial threading to speed installation (Light-Heavy cross section ties have a straight tip)
