

Generic photo of the product

Main technical characteristics of this part number

Form	<i>Design 18</i>
Technology	<i>Standard</i>
Nominal sensing distance Sn	<i>15m</i>
Supply voltage	<i>DC 12...24 V</i>
Power break test	<i>With</i>
Dimensions in mm	<i>M 18 x 60</i>
Body material	<i>PBT, PMMA lens</i>
Connection	<i>Connector male M12</i>
Type of body	<i>Line of sight</i>
Certifications	<i>CE. UL/CSA</i>
Degree of protection	<i>IP67</i>
Range	<i>Optimum</i>
Add-on entries	<i>Test by emission breaking</i>

Generic description of the product

Osiris XU transmitter for detector
Accessories necessary for Thru-beam systems when supplied separately.
